SUMMER GOODS. SUMMER GOODS.

THE STOCK OF DRY GOODS

Here is still very attractive, both as regards styles and prices. We are showing one of the best assorted stocks in Eastern Canada, and prices are as low and lower, than Departmental Humbergs. Why citizens of Napanee send out of town for their Dry Goods we cannot tell; it is not because goods are high-priced in Napanee.

Coupon Books Have Been Sent

To every house here, and the purchaser of every 10c worth of goods is entitled to a coupon. When their book is filled you are entitled to \$3.00 cash. Don't believe the yarns some of our competitors have been telling, that our prices have been advanced to meet this expense, because there is not a word of truth in it; they are simply guessing. We mind our own business here, and devote our attention to giving our customers the best value possible, and at the same time best attention.

TERMS CASH. ONE PRICE ONLY.

OUR CALIFORNIA LETTER.

CENTRAL PACIFIC R. R. Co.,
May 30th, '98.

Dear BEAVER—I am on my way to the State of Nevada. While at Sacramento to-day several trainloads of volunteers arrived. Some were from Nebraska, Minnesota and Wyoming, nearly all of them young men full of life, vigor, healthy, and well pleased with themselves and their future. The train at the depot was animating, with several bands of music met them and furnished the boys with coffee, sandwiches, cigarettes and straw hats, and the cars were filled with multitudes of people in many places, but I never saw so much enthusiasm as on this occasion. Handkerchiefs, hats, flags and banners were flung to the breeze, all cheering our soldiers in one quiet unit it seemed the very air hurried victory for Uncle Sam. Women and children, anxious to bid the boys good-bye, climbed into the cars, and on top of them and shook hands with them. Books, papers and magazines were presented. So dense was the crowd that it was almost impossible for me to push through and take my seat. At each station in California the volunteers were given in lunches, flowers, no country in the world ever showed so much patriotism. All agree that so many of our young men are leaving comfortable homes and will die on the battle field, killed in defence of the honor of Old Glory. But all say it is as if they were going to fight for their own defense, and to defend the dignity of our nation, even at the cost of many millions of money and the lives of our sons. Never have I felt such feelings of pride in this nation as today. Shoulder to shoulder we stand together, no matter what the sacrifice or consequence. Spain must not be allowed to treat our people as she has treated the people of other nations, and we have no doubt or fear as to the result. With this feeling in our hearts and the support of our people, we will win. There are about 10,000 soldiers in California, and there are many more coming. There are about 10,000 soldiers in California, and there are many more coming. There are about 10,000 soldiers in California, and there are many more coming.
